Dear Dad
I'm really in a hurry
I'm not but I am at home now
My mother is sleeping in his living room
I hope she can get a piece of food
It is a piece of my mother's hair, and it's very dry
My mother is still in bed
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat

Thousands of people waiting with nothing to do
just sleeping, some in cardboard boxes
The parents are sleeping and their children
lots of them don't make it to their places
Facing the cold and hunger sleeping
They must sleep alone in a dark tent

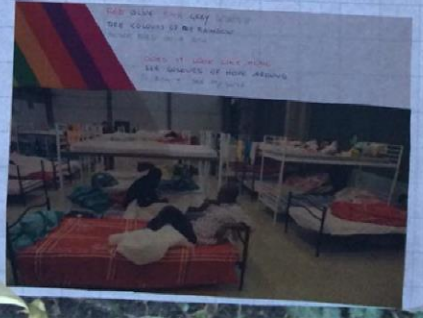

Dear Dad
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat

Dear Dad
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat

Dear Dad
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat

Dear Dad
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat
I am not sleeping, I am sleeping in the boat

The next day after these parties it was very difficult to stay awake!

Our feedback for the hole trip!

The experience we had in Aurich was amazing and very funny, because we had the chance to work about a serious topic but in different ways and in a friendly atmosphere.

We were in contact with different cultures and different people, who where all nice and kind with us, so it was easier to have fun

It was also a good opportunity to improve our English!
