March 11-17 2018

THE TRIP

We flew from Milano Linate to Amsterdam Schipol, then we went by bus to Aurich in Germany

EUROPAHAUS

We stayed at Europahaus a German Dutch institution created in 1956 in order to promote reconciliation after WWII.

Young people still meet here to discuss important issues and future perspectives in a peaceful and lively environment

The topic of the week at Europahaus was :
FREEDOM OF PRESS AND FAKE NEWS.
We played some topic based games and had shared points of view, then we chose a workshop, according to our interests (drama, video, cooking, media, photography, music..)

We also had the opportunity to talk about fake news with the director of a local paper (Ostfriesische Nachrichten)

FREE TIME

After the workshops we enjoyed our freetime in the play room with the other participants from Spain, Germany and The Netherlands playing table tennis, snooker .We also went to a bowling hall one day.

THE WEATHER IN GERMANY IS SO...

COLD... however, as it didn't rain, every morning we did some funny warming up games outdoor

BYE BYE EUROPAHAUS

After 5 days in Aurich the most difficult thing was to say goodbye to our German, Dutch and Spanish friends

THE HAGUE

Fortunately we spent two more days in The Hague. We visited two museums: Mauritshuis and Panorama Mesdag with our Spanish friends
